

ISO2012 Sustainable Events

Certification to ISO2012 demonstrates to customers that you take a serious commitment to protecting the environment and ensuring sustainability. ISO2012 is the British standard for sustainable events;

Rosewood Keen Management Services work in partnership with Crowberry Consulting Ltd to assist venues to meet the criteria for sustainable events.

We have assisted several organisations and venues to achieve sustainable event recognition.

Other services include:

- Environmental audit
- Resource efficiency
- Waste minimisation
- Legislation advice
- IPPC regulations and compliance
- Energy audits
- Energy efficient electrical motors
- Energy audits
- Utility cost reduction
- Carbon Footprinting
- FSC Chain of Custody
- Integrated environmental, quality and H&S management systems

Certification to ISO2012 is a pre-requisite for any event at the London 2012 Olympics

Our consultants are qualified environmental auditors who actually assess companies to the standard this ensures they know what is required of management systems

RKMS only ever recommend UKAS accredited Certification Bodies as this ensures the standard of assessment.

The certification Bodies logo should be accompanied by the crown and tick to confirm UKAS accreditation

RKMS have over 20 years experience in risk and compliance other services include, business improvement/lean management, environmental health & safety support and ISO standards implementation
